JOB SEEKER'S FAQ

Note: Word doc or PDF are acceptable, Make sure the attachment size does not exceed 2MB.
Please ensure that you have created your Online Resume to apply for any jobs on the job site.

❖ How can I know that I have successfully applied to the job?

Each time you have submitted your job application, there will be a pop-up message appear on the top area of the individual job ad page and at the same time you will receive an email notification from info@KalimantanJobs.com to your registered email (i.e. *Gmail, Yahoo, Hotmail, Outlook*, etc.)

❖ How can I follow-up with my job application?

Refer to the notification email from info@KalimantanJobs.com that you have received prior to applying for any jobs on the job site. You will be provided with the employer's email under the 'Summary' section.

Tips: For a successful job application, follow-up with the employer prior to 2 weeks after application

❖ Can I know more information about the company I applied to?

For all job advertisements, there will be company information provided in the Company Profile, available on the right corner section of the individual job advertisement page (DESKTOP VIEW).

You will be provided with detailed company information which includes;

- Company background details
- Business Industry
- Company Address
- Contact details

❖ I have applied for the job but I have not yet received any reply from the company. What should I do?

It is recommended to always follow-up with your job application 2 weeks after your application. You will be able to contact the company via the email address provided to you in the notification email that you received from info@KalimantanJobs.com (prior to applying for any jobs on the job site) or you can refer to the contact details provided under the Company Profile section (of the individual job advertisement page).

❖ I have been called for an interview, any advice from KalimantanJobs.com?

Congratulations for the successful job application! For a better preparation on your upcoming job interview, refer to our Job Interview Tips available on our [Career Tools: Tips & Resources](#).

❖ Can KalimantanJobs.com assist me in matching my resumes to any jobs on the job site?

As we are a job advertisement portal, thus we do not handle job matching services or any of the recruitment activity for any employers advertised on our job site. Each employer on our website will handle their own recruitment activity, this includes contacting job seekers for job interviews or application acceptance or any other recruitment activity; hence it is advisable that you follow-up with the hiring company within 2 weeks once you have submitted your job application.

❖ Why do I receive emails from info@KalimantanJobs.com whenever I apply to a job?

For every job that you apply on KalimantanJobs.com, you will receive a notification that basically informs you that your job application has been sent to the employer.

We suggest that you can follow the **TIPS** stated in the notification, that is:

1. Follow up with employer (after 2 weeks) to secure an interview or job opportunity.

JOB SEEKER'S FAQ

2. Mention to employer that you have applied the job on KalimantanJobs.com
